The 3rd International NorNet Users Workshop

NNUW-3

Fornebu, Akershus/Norway

August 28, 2015

NNUW-3 Goals

◆Provide both current and potential NorNet users the possibility to get information about the present status and the future plans to extend the NorNet testbed

◆Highlight results of several research projects that were made possible by NorNet

◆Engage audience in stimulating discussions about using and improving NorNet in particular, and about building better testbeds
